DIGITAL BASELINE REPORT

FINANCIAL LITERACY LAB

We are pleased to share your Financial Literacy Skills Baseline Assessment Report. This assessment reflects your performance at the beginning of Grade 4 and will help track your progress and growth through the year.

NAME: Vihaan Hemraj Ahire

GRADE: 7 DIVISION: D

Assessment Details

The baseline assessment consists of two comprehensive components designed to evaluate your current Financial Literacy Lab skill level:

Multiple Choice Questions (MCQ) Test

A carefully curated assessment that, unlike the usual MCQ assessment, uses audio-visual aids to not only check the theoretical understanding but also test the Money Awareness, Budgeting & Planning, Financial Decision & Risk Making & Entrepreneurship skills of the students.

Oral & Demonstrative Test

A practical oral assessment where students demonstrate their Financial Literacy abilities through oral & demonstrative activities. This test is specifically designed to evaluate real-time Financial Literacy performance.

Grade	Percentage Range
A+	85 - 100%
A	70-84%
B+	55-69%
B	40-54%
C+	Below 40%

Please note: The rigour of evaluation differs across grades. The assessments conducted were specific to **Grade 7**; therefore, the Baseline scores for this grade should not be considered as baseline skill levels for the subsequent grade. Each grade will be assessed using its own grade-appropriate baseline evaluation

Vihaan's results

Money Awareness

The ability to understand what money is and does, distinguish needs from wants, and recognize the value of goods, services, and choices.

Budgeting & Planning

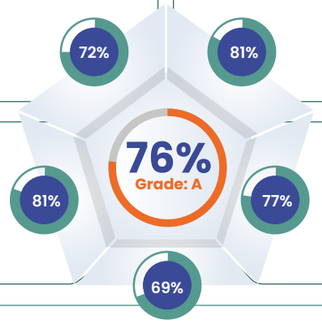

The ability to plan spending and saving in advance, allocate limited money across goals, and work toward a defined financial target over time.

Saving & Investing

The ability to understand how saving grows money over time, how investing differs from saving, and how compounding affects long-term financial outcomes.

Financial Decision Making & Risk

The ability to correctly identify financial risks - debt, fraud, the need for insurance - and weigh alternatives and trade-offs to reach and justify a reasoned decision.

Entrepreneurship

The ability to identify an opportunity to create value, and apply basic business thinking - pricing, cost, profit - to a venture idea.

KEY STRENGTHS

The speech transcript shows a clear and simple flow of ideas appropriate for grade 7, and the student speaks with reasonable clarity and pace.

KEY GAPS

Limited visible gestures or facial expressions reduce body language impact; minimal variation in energy and interaction cues lessen audience engagement.

OVERALL OBSERVATION

The student delivers the speech with understandable articulation and basic structured thinking. However, body language and audience engagement are somewhat limited, showing minimal expressiveness or dynamic projection.

This **assessment shall be taken thrice in a year:**

Baseline | Midline | Endline

Congratulations on completing the baseline assessment. We are look forward to seeing you at the mid and endline assessments for Grade 7.
